

Dance Teacher Job Description

We are a brand new, rapidly growing 501(c)(3) nonprofit dance studio looking for qualified, professional teachers and choreographers to add to our existing amazing faculty for our daytime, afternoon, evening, and weekend classes. We offer a positive, supportive working environment with a dedicated dance village community.

We offer classes in many styles and are looking to expand to more offerings including both youth and adult classes. We currently offer weekly Ballet, Jazz, Contemporary, Hip-Hop, Lyrical, Pom, Sassshop and Conditioning for beginner through advanced levels. We also have specialized weekly classes for toddlers, special needs and autistic children, and dance fitness classes for adults. We regularly have "pop-up" classes or short series as well.

Benefits:

- Come grow with us! Feel good knowing you are a part of something positive and impactful for the community. Gain confidence and experience teaching. Our studio often works with low income and individuals who might not have the opportunity to take traditional dance classes- which can be both challenging and extremely rewarding. Our teachers are all volunteers, and we recognize their work by awarding monthly stipends and end of the season honorariums. As a valued member of our staff, it is our pleasure to offer your immediate family a 50% discount on all classes attended at Balance Dance Project.

Schedule:

- Varies. We are looking for regular weekly instructors, subs, series, pop-up, and masterclass instructors. Most classes currently on the schedule are between 4-8PM Monday-Friday and 9-4 on the weekends.

COVID-19 considerations:

- Our studio follows all COVID protocols. We received a grant from the City of Sacramento to build an outdoor dance floor and have been holding classes outdoors during the pandemic and will continue to do so until Sacramento County Public Health advises otherwise.
